

GRADE 2 • WORKBOOK

Grade 2 Math: Add & Subtract to 1000

Regrouping, place value and word problems.

100% FREE PDF

38 pages • syllabus • answer key included

printableworksheetsforkids.pages.dev

Grade 2 Math: Add & Subtract to 1000

From two-digit regrouping to three-digit addition and subtraction, with place value and word problems that explain why the methods work.

How to use this workbook

Work through the chapters in order, or jump to the skill your child needs most.
Each skill has three different sheets (A, B and C) so you can practise, review and test.
Do one or two sheets a day. Short, regular practice works better than long sessions.
Check answers using the answer key at the back of the book, then talk about any mistakes.
Print the pages you need on A4 or Letter paper; scale to fit if your printer asks.

What your child will learn

Place Value to 1,000	Two-Digit Subtraction (No Borrowing)
Expanded Form: 3-Digit Numbers	Two-Digit Subtraction with Borrowing
Comparing Numbers to 1,000	Three-Digit Subtraction
Two-Digit Addition (No Regrouping)	Word Problems to 100
Two-Digit Addition with Regrouping	Addition Word Problems
Three-Digit Addition	Subtraction Word Problems

This workbook is free to print for home and classroom use. It may not be sold or republished. More free books and worksheets: printableworksheetsforkids.pages.dev

Syllabus: what is inside

	Welcome and how to use this book	p. 1
	How the workbook works and what your child will learn	
1	Place value	p. 3–11
	Place Value to 1,000 · Expanded Form: 3-Digit Numbers · Comparing Numbers to 1,000	
2	Addition	p. 12–20
	Two-Digit Addition (No Regrouping) · Two-Digit Addition with Regrouping · Three-Digit Addition	
3	Subtraction	p. 21–29
	Two-Digit Subtraction (No Borrowing) · Two-Digit Subtraction with Borrowing · Three-Digit Subtraction	
4	Word problems	p. 30–38
	Word Problems to 100 · Addition Word Problems · Subtraction Word Problems	
	Answer key	p. 39
	Answers for every sheet in the book	

 Place Value to 1,000

Name: _____

 Word Problems to 100

Name: _____

Date: _____

Score: _____

Read each problem carefully. Write a number sentence and the answer.

- 1 Arjun has 51 shells. Sofia gives Arjun 19 more. How many shells does Arjun have now?

- 2 Ana had 69 marbles and gave away 2. How many marbles does Ana have left?

- 3 Amina has 71 books. Mei has 37 books. How many more does Amina have than Mei?

4

There are 94 marbles in one box and 36 marbles in another box. How many marbles are there in all?

- 5 Aisha has 14 cards. Ravi gives Aisha 3 more. How many cards does Aisha have now?

- 6 Diego had 71 apples and gave away 6. How many apples does Diego have left?

- 7 Sam has 79 apples. Ida has 74 apples. How many more does Sam have than Ida?

8

There are 78 cookies in one box and 95 cookies in another box. How many cookies are there in all?
